We believe that photography is an artistic expression of the creative talents that God has given each one of us. In this group, there will be instruction in photographic technique but the emphasis is on promoting faith in God through photographs, reflection and discussion.

What better way to share our reverence and awe than with the many gorgeous and breathtaking views of creation– from the fury of the raging surf to the gentle caress of a slow waterfall, from the gorgeous colors of a tropical sunset to the explosion of cherry blossoms in Spring.

Wealth, Health & Time (W.H.A.T.)

Focuses on raising awareness and providing practical tools to make lifestyle changes, using biblical guidance to improve and promote overall well being, as we live the grace filled life. God's desire for us is to experience perfect health and well being in the form of optimal spiritual, mental, emotional and physical wellness. He wants us to be fulfilled, living with a purpose and living the abundant life He wants us to experience all the fruits of the Holy Spirit and be free from worry and stress even in the midst of trials and tribulations

Wellness is not a destination, it's a change in one's lifestyle. It's integrating the physical, emotional and spiritual to create a balance in our relationships, family and work life.

Our Mission

The mission of the SDA Church of the Oranges is: To help its members live "A Grace Filled Life" demonstrated through Unity and Connection with each other, Service to the Community and Winning, Developing and Deploying disciples for God's Kingdom.

Life Groups

These are groups of 12-25 persons and are a way of living out our mission as individuals and as a group of believers. Despite social media, people today have few genuine friends. Life Groups help people engage in relationships that build friendships and become more like Christ.

It is in small groups that people get close enough to know each other, to care and share, connect and bond, confide and confess, laugh and weep, be accountable to each other and to grow together. When Jesus' ministry began, he called 12 disciples to be the first "small group" and the apostles continued this model. Small groups are God's gift to foster service, friendships and spiritual growth.

Men UnMasked (M.u.M)

We believe the first step to becoming a modern man is identifying our limitations. Being a modern man requires being effective and competent, it's every man's desire to be able to handle himself in any situation he encounters. The modern man must be both a scholar and a craftsman. The curriculum offers practical skill that will enrich our lives and equip us with the tools and biblical discipline for any situation, whether it's fixing a leaky faucet or cooking a romantic dinner for two.

Crochet Live

This group focuses on developing and or enhancing one's creative skills through the art of crocheting. People are realizing and accepting the health benefits of this craft. Knitting can even be used as an effective tool to manage and improve the symptoms of long term problems. Modern day stresses are many and varied. To stay healthy everyone needs an accessible tool they can rely on anytime, anywhere. This group is for beginners to lifelong knitters and crocheters, sharing ideas and patterns in a relaxed environment. It's for everyone!

Young Adult / Collegiate/ High School Life Groups

These groups focus on becoming ready for independent living and developing life skills to become self reliant. It empowers the young adult to become more responsible and to demonstrate confidence in their decision making.

International Expression (I.E.G.)

This group offers Spanish and/or French as a second language. Studies have shown that speaking a foreign language is a great asset to the cognitive process; it improves the functionality of your brain. As we step out of our comfort zones and stretch, this is an opportunity to prepare for witnessing to someone in a foreign language. God has given us the commission in Matthew 28:19 KJV Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost.
